

ANNOTECH

PREMIUM PACKERS

RSM Lining Supplies have partnered with Annotech GMBH to provide a premium range of packers to the UK industry.

CHARACTERISTICS:

The more robust design and rubber composite allows each packer to cover at least 3 diameter ranges (e.g 70-150mm & 150-300mm)

The new premium range can be purchased in lengths of 0.5m - 5m

Lateral and radius packers are available
